Name: Steven Alan Wolkis

I recently received notice that I failed to file a timely response to a letter that was mailed on November 23, 2004.

I DID RESPOND to this notice - on 1/31/2005. When I got your recent notice, I checked my express mail label number ( ED332391867US ) on the post office computer. It confirms that a package left from Flushing NY - but unfortunately the post office only keeps three months worth of data, so that was all they had.

Please tell me what you need from me, and exactly where to re-mail my response to, and I will send it to you again.

Thank you for your consideration of this matter.
